Bagno pubblico. Tra le più importanti realizzazioni architettoniche ticinesi del secondo dopoguerra. Infrastruttura sportiva edificata nel 1967-70 da Aurelio Galfetti, Flora Ruchat Roncati e Ivo Trümpy. Una lunga passerella collega la città con l'argine del fiume e funge da asse generatore delle attrezzature e percorso pedonale consentendo l'accesso a spogliatoi, cabine e servizi - collocati nel livello intermedio - e quindi alle piscine, disposte in un grande prato verde.
